INFORMATION WANTED.

OF HENRY CLARE, a native of London, about thirty years of age, who enlisted in the United States Army in 1861, and is probably still in that service. It is believed that he married a woman of the name of Wilson in the District of Columbia, some time in 1862. He has many children. Any member of his wife's family or other person who may know his whereabouts at the present time, or who has received the information with the aid of this paper, will confer a great favor upon his sister,

OSAGE ORANGE SEED.
I HAVE just received and offer for sale a lot of these seeds which I believe to be in every way reliable. They were gathered during the season.

James Sumpter, of Union county, Indiana, writes winter by Mr. Tanne for the express purpose of procuring good seed for his farm.

His knowledge of the leading business, and personal interest in the matter, are sufficient guarantees that the seed will be of the best quality, and that he will select none but seeds of undoubted vitality, and that the greatest care has been taken in their collection and preservation.

As I have no other seed on hand, purchasers can depend upon having their orders filled from this lot; and I shall be pleased to furnish samples, by mail or otherwise, to all who desire to test its quality.

Printed directions for cultivation accompany each parcel of seed.

LIBERTY ALMANAC FOR 1851.

THE American and Foreign Anti-Slavery Society have just published another stereotyped Almanac, for the coming year, with special reference to the great question of Slavery at the present time, and in the expectation that the friends of the cause throughout the country will co-operate in diffusing extensively the valuable statistical and reading matter it contains. Considering the expense at which the Almanac has been prepared, the low price at which it is sold, and the increased facilities for forwarding it to persons

The Almanac is handsomely printed, on finer paper than usual, with well-executed wood engravings, prepared expressly for it, illustrating the escape of Henry Ross Brown, a slave at Washington, in 1847, and the escape of John Brown, the *Chieftain*, which is equal in all respects to that of the American Tract Society's *Almanac for 1851*, and the *Belphes, Cycles, &c., &c.*, the Almanac contains a variety of interesting and valuable reading and statistical articles and an abundance of pictures, selected and original. The price will be as follows:

For one thousand copies	-	-	-	-	20 00
For one hundred copies	-	-	-	-	2 50
For one dozen copies	-	-	-	-	40
For a single copy	-	-	-	-	06

The friends of the cause are earnestly invited to co-operate

in giving a wide circulation to the Almanac, and to send their orders at an early day for a liberal supply. It is suggested that they make arrangements with merchants in their neighborhood, before visiting New York, to have a few hundred Almanacs packed with their goods. In this way the cost of transportation will be very small. If no such

opportunity offers, the owners of expressions are now their
reasonable in their charges than heretofore. This mode of
conveyance is better than the post office, as every Almanac
sent by mail, whatever the distance, costs two and a half
cents.

A Catalogue of most of the Publications for sale at the
Depository is annexed, from which selections can be made;
and books and pamphlets can be sent with the Almanacs,
without much, if any, additional expense.

Persons desiring to send in blank notes or post office

Orders, enclosing payment, in bank notes or gold coins, stamps, may be addressed to
WILLIAM HARNED, Agent,
Aug. 8. 48 Beekman st., a few doors east of William st.
N. B. Editors friendly to the cause of freedom are respectfully requested to give the above an insertion, as the

subject in publishing the Almanac is not to make money, but to diffuse useful information.

ORTHOPÆDIC SURGERY.
(THE USE OF THE KNIFE DISPENSED WITH.)

THE managers of the Parkeville Institute (near Philadelphia) have opened a ward in that institution, for the cure of **DEFORMITIES OF THE HUMAN BODY,**

such as curved spine, crooked limbs, deformed bones, club feet and all diseases of an analogous character, and also hernia, rupture, by means which render a resort to the use of the knife unnecessary. These patients will be under the charge of an experienced and skillful Orthopaedic Surgeon, (Dr. T. F. Cullen,) who was for four years a pupil of the late celebrated Dr. *HERBERT CHASE*, of Philadelphia, and who has for the last ten years devoted himself to this specialty. Persons at a distance can consult with Dr. Cullen, by

letter, describing the case and enclosing a fee of ten dollars, directed to the care of *Samuel Webb, Secretary, No. 58 South Fourth street, Philadelphia*, to whom all applications for admission are to be made.

EXHIBITION FREE.

TO meet the increasing patronage of this establishment, the Sitting and Exhibition Rooms have been enlarged, and fitted up in a style second to none in this country.

It was necessary, also, to have more assistance in the operating department; and I have therefore associated with me Mr. F. M. Cory, from New York, which will enable us to

Some valuable additions to the collection of specimens have been recently made, among which we will mention that of **JENNY LIND**, taken from life; one of **AMIN BEY**, Turkish Envoy; and one, from a Daguerreotype taken in dome, of Powers's statue of **JOHN C. CALHOUN**.

The collection of the United States Senate, intended for exhibition at the World's Fair, to be held in London in May next, will be complete in a few days, a part of which may be

Having a superior Sky-Light, and one of the best German Cameras, capable of taking portraits twelve times the usual size, and twice the size of any in this city, together with a constant and successful practice for the last twelve years, we feel confident in being able to furnish Daguerreotypes to those who may want them, which, for beauty of tone, clearness of impression, life like expression, grace and ease of position, cannot be surpassed.

By a new and improved process of
 establishment, we are enabled to take pictures in the short space of
 one second, enabling parents to supply themselves with
 perfect Daguerreotypes of their little ones, of all ages.
 Miniatures neatly set in lockets, bracelets, finger
 rings, and settings furnished, if desired.
